## An Entry Level Cash Drawer

### Soma™ Product Family Solution

APG's Soma™ product family drawers offer customers a cost effective, economical solution. The Soma™ product family is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments. The ECD460B Flip Lid Cash Drawer has been designed to fit the majority of European checkouts.

#### Steel Construction

Featuring steel construction for a prolonged operational life, the ECD460B cash drawer is able to withstand busy retail environments.

#### High Capacity Insert

The removable insert can accommodate 6 notes and 8 coins. The adjustable and removable note dividers maximise the insert capacity.

#### Multiple Storage Options

The drawer provides further storage with a posting slot directly to the insert for additional media items.

#### Locking Options

The lockable lid provides safe and secure transport of the insert to the back office.
