

# Soma™ Product Family All-In-One Product Guide

## A Cost Effective, Economical Solution

APG's Soma™ product family cash drawers offer customers a cost effective, economical solution. The Soma™ product family range is designed to meet the market requirements for small to medium businesses within retail and hospitality including those with tablet and mobile POS environments.

Featuring a steel construction and backed by APG's extensive testing and 1 year warranty, the Soma™ product family range delivers superior performance within the economical product family, assuring retailer confidence.

### Soma™ Product Family Guarantee:

500,000 Transactions

1 Year Warranty

Status Drawer Micro Switch

### Soma™ Flip Lids

The ECD460 Flip Lid Cash Drawer is designed to withstand busy retail environments and is available in four different models, to meet a diverse range of requirements.

#### Insert Configurations

A variety of insert configurations are available to support multiple currencies and a range of cash handling requirements.

#### Lock Options

Choose from a drawer that can only be opened when fired, a two position lock or the new three position lock, which can be set in a lock position that means the drawer cannot be opened by the mechanism that fires the drawer, offering enhanced security when needed.

#### Additional Storage

ECD Flip Lids offer additional storage direct to the bottom of the insert through a posting slot feature on the front of the drawer.

### Soma™ Slide Outs

ECD Slide Out Cash Drawers are available in nine different models, that vary in size, colours and insert configurations.

#### Functional

Choose from either ball bearing roller wheels or runners that provide a smoother opening and closing of the drawer, prolonging operational life.

#### Insert Configurations

The slide out, Soma™ product family cash drawers accommodate various configurations, from 4/5/6 or 8 bank notes and 8 or 9 coins, to support the vast majority of worldwide currencies.

#### Additional Storage

Model dependent, the APG's Soma™ product family slide out cash drawers offer up to two media slots on the front of the drawer to enable the storing of large banknote denominations, receipts, vouchers or cheques securely under the insert.

### Soma™ Note Stores

Highly secure, APG's Note Stores help to reduce the risk of theft. Transfer high banknote denominations or large quantities of notes from the cash drawer to a note store, which is usually secured under a work counter or till.

#### Two Models

Featuring two different models, the ECD102 and the ECD120T, both are constructed from solid sheet steel, providing storage for approximately 350 banknotes.

#### ECD102

- The ECD102 uses a cassette Mechanism; the note store works by sealing away notes into a separate compartment.

#### ECD120T

- The ECD120T offers an additional layer of security. with the banknotes only accessible when two different keys are used together.
