

# Arlo™ Cash Drawer for Square

## An Economical Solution For Small Business

### Arlo: A SOMA™ Family Solution

The Arlo cash drawer delivers uncompromising performance and quality, providing a low cost of ownership for light cash use environments. Purpose-built for the entry-level market, the Arlo cash drawer is easy to use enabling efficiency throughout the checkout process.

The Soma family product line is designed for a market segment that has a relatively low number of cash transactions. As a member of the Soma family product line, the Arlo cash drawer is a reliable solution with its smooth ball-bearing roller wheels, ensuring 500,000 plus transactions.

There are 4 till options with the Arlo 410 (16") drawer; accommodating American, British, European, Canadian, Japanese, and Australian Currencies.

#### High Capacity

Configurations that accommodate a variety of international currencies.

#### Media Storage

Two beveled media slots on the drawer front enable the storing of large bill denominations, receipts or checks securely under the till.

#### Functional

Built with steel construction and ball-bearing roller wheels, the Arlo cash drawer has a life expectancy tested beyond 500,000 cycles.

#### Security

The Arlo cash drawer provides peace of mind with a drawer open status switch for reporting drawer status back to the POS application.
